EVENT DESCRIPTION

Our KPRIET Space & Math club successfully organized the CONNECTION event from 21/05/2021 to 22/05/2021. It was an online event for the school students from 1 to 12. The event was to find the technical connection for the given images. We have separated into 2 categories. Category 1 – (1st – 6th) students & Category 2 – (7th – 12th) students. Round 1 & 2 was conducted on google form for both the categories. In round1 we had received 26 and 269 responses from category 1& 2. From this we filtered 8 and 24 students from category 1 & 2 for next round respectively. For the category 1, we fixed the round 2 as a final round. In this round tie breaker is used to choose the winner for this round in category 1. For category 2, 8 students were selected for the final round. These 8 students were asked to participate in round 3 by google meet. In the google meet by the performance of the students the winners were chosen.

Students were eagerly and interestingly answered for all the questions and we are happy on conducting this event. We had received good feedback from the participants. All the coordinators did a great job and the event was successful.
